Welcome aboard the spectacular Royal Princess®, where comfortable elegance and an incredible variety of activities, dining and entertainment

options await, including the SeaWalk®, a first-at-sea innovation offering a captain's view of the ocean. Discover Old World charm as you stroll through our breathtaking Piazza – 50% larger than on our other ships! Roving street performers, quaint boutiques and tasty food options abound. Stop by the international Café and Gelato for mouthwatering treats, or marvel at the wine selection at Vines.

If you're in the mood for serenity, you may choose to spend your day at The Sanctuary, our tranquil haven exclusively for adults, which now includes VIP cabanas. Or perhaps you'd enjoy some pampering at the Lotus Spa®, featuring the Enclave – our expanded Thermal Suite experience. Unwind by the Fountain Pool—a lively area by day, and the venue for our dazzling Princess® WaterColor Fantasy at night. When you're feeling hungry, go Italian with the fine flavors of Sicily at Sabatini's, Neapolitan-style pizza at Alfredo's Pizzeria and a variety of refreshing bellini drinks at Bellini's Bar. And after dessert, the excitement continues. An array of activities, including our thrilling Princess Casino, captivating Princess Signature Shows and the big-screen action of Movies Under the Stars®, offers you dazzling options for entertainment throughout the ship.

With so much to discover and enjoy you're sure to find an enriching experience onboard Royal Princess, ensuring you Come Back New.

From the Navigator

With all passengers and crew on board, Royal Princess struck her gangways and slipped her mooring lines. Under the guidance of our local harbor pilot we will proceed southbound along Southampton Water. Having negotiated the tight turns on the Brambles Bank we will continue on a south east course through the Solent with the Isle of Wight on our starboard side. The Pilot will disembark at the Nab Tower, where we will then set a southerly course upon rounding the Isle of Wight. We will then cross the busy shipping lanes of the English Channel towards next port of call St. Peter Port. From all of us on the Bridge we would like to welcome you onboard the Royal Princess and we hope you have a wonderful cruise.

Passport Collection Notice

Due to administrative and immigration procedures for our call in Cobh, Ireland, we are required to collect and present guest passports for nationalities not part of the European Union. Your stateroom steward will collect your passport tomorrow morning between 8:00am-10:00am. Please leave the passport on your bed before going to Breakfast. If you are not present in your stateroom during this time, a receipt will be left on the vanity desk.

4:30pm All Aboard!

Royal Princess sails for St. Peter Port shortly thereafter

Consummate Host of the Month

Reynaldo Mendoza Silverio – Carpenter

I am Reynaldo Silverio from the city of Balweg, Philippines. I've been a Princess Cruises employee since 1996 and was part of the inaugural team on Royal Princess in 2013. I have served on board various vessels during my 19 years within the Technical department. When I first joined Princess, I was an Assistant Joiner and have since worked my way up to being a Carpenter. I must give credit to my colleagues from the Technical team for their unflinching support and take this opportunity to express thanks to the Entertainment department who recognized my dedication and nominated me. I also would like to thank the Cruise Steering Committee for selecting me for this prestigious award.
