The Officer's Daily Log

Meet Lotus Spa Manager Marizahn Senekal

Marizahn Senekal is from beautiful Cape Town, South Africa. After completing her studies at the Isa Carstens Health & Skin Care Academy in Stellenbosch, she spent several years working in the beauty industry gaining experience.

In 2009, Marizahn joined Princess Cruises on board the Golden Princess as a Skin Care Specialist, and she's loved every day spent at sea since!

When not on board a ship helping passengers relax and rejuvenate, Marizahn loves to spend time with friends and family, enjoying outdoor activities and traveling the world.

By Lotus Spa Manager Marizahn Senekal

As we spend a relaxing day at sea, now is the perfect time to indulge in a spa treatment, massage, or even a haircut to spruce up before your next day in port. The Lotus Spa®, conveniently located just off the Atrium on Deck 5, is a large part of what makes this ship a relaxed, rejuvenating retreat at sea.

The Lotus Spa offers services for both men and women, and also features a special YSPA menu for passengers between the ages of 13 and 17. If you didn't pre-reserve a service online before this cruise, there's still time to schedule a soothing facial to light your skin aglow, or de-stress with an aroma stone therapy massage. We can also pamper you with a manicure or pedicure. The Enclave at Lotus Spa® is a truly special experience, with sensory showers, a Laconium, warm stone beds and a rejuvenating hydrotherapy pool—simply stop by or call 5343 to book a treatment!

The Lotus Spa Fitness Center has a variety of exercise machines to help you stay fit during your cruise, as well as a large selection of classes offered through our Core.Balance.Strength program. We can lead you through instruction in Pilates, yoga, cycling, and even aerobics!

From the Navigator

In the morning Royal Princess will navigate on various South-Easterly courses along the East coast of England. When we will pass the Flamborough Head on the our starboard we will begin navigating between a large group of oil rigs that will be finish by just after midday when we will pass Great Yarmouth on our starboard, after that we will set southerly course. In the evening Royal Princess will enter the Dover Strait and continue navigating the English channel towards Le Havre.

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.
