The Officer's Daily Log

Meet Maître d'Hotel Giorgio Pisano

Giorgio Pisano hails from the village of Pizzo Calabro in southern Italy. At just 16 years old he began attending hotelier school, and later gained experience working in 5-star hotels.

In 1976, Giorgio's adventurous nature brought him to the sea where he joined Princess Cruises as a Buffet Steward. He has held the position of Maître d'Hotel since 1992.

Giorgio lives in his native village with his wife Stella, where he enjoys fishing with his 21-year-old son amidst extraordinary views of the Stromboli Volcano.

By Maître d'Hotel Giorgio Pisano

Enjoy your day in Dublin, Ireland's charming capital city with fascinating treasures to behold! Travel through the centuries at the Glendalough Ruins, where the 6th-century St. Kevin Monastery once stood. Explore the largest church in Ireland, the 12th-century Saint Patrick's Cathedral, where legend has it St. Patrick first converted the Irish to Christianity. And of course, a trip to Dublin wouldn't be complete without tasting a glass of Guinness, which you can do during a tour of the renowned St. James Gate Brewery.

Although visits to our exciting ports of call offer the chance to sample new and interesting local cuisine, we're always ready on board to provide you with plenty of fresh and flavorful options throughout the day.

For an early start, consider using your breakfast card for in-room service. For a quick snack on sea days look for our soft, fresh-baked cookies and ice-cold milk on deck. Later in the day, you can always recharge with Neapolitan-style pizza at our Pizzeria or a warm panini at the International Café.

I'd like to leave you with one more suggestion to enrich your experience during this cruise. Whether you're celebrating a birthday, anniversary or just a change of scenery, our Ultimate Balcony Dining provides a memorable breakfast or a four-course dinner with dedicated wait staff in your stateroom. In addition, I highly recommend the Crown Grill, our elegant steakhouse restaurant, and Sabatini's, offering Italian fine dining in a truly authentic setting. Or try the Ocean Terrace Seafood Bar, which serves up a variety of fresh seafood. All of these options are available for a small nominal charge. Please dial 138 for a reservation.

From the Navigator

On arrival in Dublin we will enter the traffic separation scheme leaving Ben Of Howth on our starboard side and proceed towards our assigned pilot station, pick up our local pilot and, after a 360° swing, we will proceed astar for 5.5 miles towards our assigned berth. Once Royal Princess is safely alongside we will start our port operations. On departure with all souls on board we will start to slip our mooring lines and after well clear from the berth we will retrace our track, disembark the pilot and proceed towards appropriate traffic separation scheme en route towards Liverpool.

Public Health Reminder

To help maintain a healthy environment, please wash your hands frequently and thoroughly with soap for at least 20 seconds, and rinse them well. We strongly recommend that you follow this procedure each time you use the restroom, after coughing or sneezing and before eating, drinking or smoking. Avoid touching your mouth. We also encourage you to use your private toilet facilities and not the public toilet unless absolutely necessary.

Planet Princess

Any environmental concern you may have that cannot be addressed by the ship can be directed to our Environmental Operations Department via the Environmental Hotline or by e-mail. ENVIRONMENTAL COMPLIANCE HOTLINE: Dial CLEAN (25326) or 1-888-290-5105. <https://www.carnivalcompliance.com>

Dublin Shuttle Services

There will be a shuttle service available, taking you from the port to downtown Dublin. The drop-off and pick-up location is Kildare Street. The first shuttle will depart the port at 9:00am and the last shuttle from the city will leave at 6:00pm. Refer to the Dublin Shuttle Service Order Form for full details. **Onboard ticket sales are now closed. Purchase tickets directly ashore with dispatchers on the pier, using your ship's cruise card.**

Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government issued picture ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.

Alcohol Policy

Alcoholic beverages that are purchased at ports of call or duty free from the ship's gift shop will be collected for safekeeping and delivered to the passenger's stateroom on the last day of the cruise. A member of the ship's staff will be at the gangway to assist passengers with the storage of their shoreside alcoholic purchases while our Boutiques staff will assist passengers with shipboard alcoholic purchases. Princess Cruises is not responsible for any alcoholic beverages confiscated by shoreside security staff. Such items are not eligible for monetary refund or replacement.

Shore Excursions: Tour office hours: 5:00pm-7:00pm – Plaza, Deck 5 Midship

Tour Staff are available in the Princess Theater, Deck 7 forward this morning and ashore on the pier this afternoon during tour dispatch, to check on any last minute availability for today.

Going on Tour - Please present your tour ticket at your meeting time & location. Please do not arrive ahead of the indicated time in order to avoid additional congestion and longer waiting periods. Those wishing to travel together should meet together, to be allocated space in the same transportation.

Afternoon tours, meeting directly ashore on the pier, often use transportation from earlier departures and therefore will only be in position for loading at the specified time.

The staging area is not sheltered, nor is seating available, and these factors in addition to the weather conditions should be carefully considered before arriving far earlier than scheduled.

Cancellations or exchanges for Belfast close at 6:00pm this evening.
